DIRECTOR

Alton Korengay, Ph.D.

Alton is a Consultant with more than 30 years of production management, electronics, and engineering experience in three Fortune 500 companies. His corporate career includes John Deere, McDonnell Douglas, and Wagner Electric (Automotive Brake Division). He provides transformational manufacturing, systems, and operating consulting services. These services include process efficiency, productivity improvement, lean manufacturing, incentive systems, quality control systems, cellular manufacturing, engineering, and Kaizen events. Alton played a key role in the Lean

Six Sigma implementation at John Deere and was a founding partner of the Annual John Deere Lean Academy. He served in the U.S. Airforce, Avionics Division. **(B.S., Electronics Technology, Savannah State University; M.B.A., University of Iowa; Ph.D., Industrial Education and Technology, Iowa State University)**
