LEADERSHIP TEAM

DIRECTOR

Mike Seals

Mike is a C- level financial executive with over 35 years of accounting and business leadership experience in the lower middle market sector where he has served as President, COO, CFO, Board member, Advisor, and investor. Mike's journey includes numerous C-level positions and engagements such as senior executive for a Top 100 construction contractor, a transportation and logistics company, a large tourist destination restaurant, food industry, building products as well as equipment rental and leasing. His expertise incorporates business plan development and execution coupled with accounting systems knowledge across development, implementation and setup as well as migration. Mike's financial grasp also encompasses elaborate but practical and straightforward cash flow and forecast models, budgeting applications, business intelligence and providing executive leadership support in day-to-day operations. He has a deep knowledge of EXCEL combined with many years of experience on a range of accounting platforms and is able to quickly adapt to new applications, enhancing his value and delivery of services. Mike is also CEO of CFO Performance Group, LLC where he provides specialized financial advice primarily to founder-owners. Certifications include CPA. **(B.B.A., Business Administration, Middle Tennessee State University)**
